No false modesty here

allRisk Property Damage Experts was hired to restore the **Anchorage Tavern** in Somers Point after a four-alarm fire ripped through the historic building last week. The same Camden County-based company got the job redoing the sprawling **Lobster House** complex in Lower Township after a big fire hit it last year.

Now that you know what they specialize in, this message, which you can see painted on some of their trucks, makes sense:

“allRisk: Masters of Disaster.”
